**Cross-media information package for subscribers.** Solarthemen, the information service for renewable energy, reaches its subscribers at least once a week as HTML email. The subscription also provides access to the exclusive Solarthemen area (S+) of the Solarserver. In addition, subscribers are given a monthly Solarthemen special edition which can be obtained either as a printed booklet or as an e-paper.

This is the quality journalism for which solar topics have been known since 1996. Since autumn 2019, embedded in the contemporary online presence of the Solarserver, Solarthemen enrich the heavily frequented online portal with a premium journalism channel.

**Your exclusive advertising.** You can find all classic ad formats and insert options in the Solarthemen extra edition, which occurs monthly. Your advertising will be in the e-paper linked to the landing page of your choice.

**Short, up-to-date, do a lot of research.** The information service Solarthemen is primarily from used by entrepreneurs and decision-makers in the field of renewable energies.

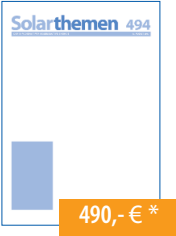

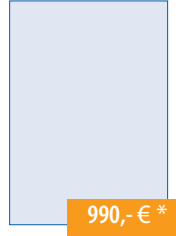

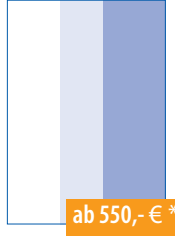

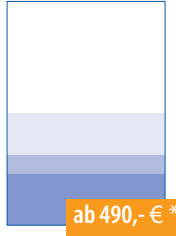

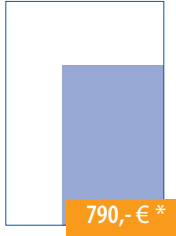

**Circulation and distribution of solar themes extra edition.**
